

Announcement: Coordinator of Communications

Fr. Scott McCue, Pastor of The Catholic Community of St. Thomas More, is pleased to announce the appointment of Molly Jenkins as Coordinator of Communications effective August 7, 2023.

Molly holds a BS in Wildlife Conservation from the University of Delaware and an MS in Ecology from the University of North Carolina-Chapel Hill.

Molly has nearly 5 years of experience in science communication as a research participant hosted at the Environmental Protection Agency. During her time with the EPA, she worked with a very broad audience including local and state governments, scientists, universities, non-profits, the general public, and k-12+ students and educators. She has extensive content and copy writing experience, in addition to extensive public speaking experience in virtual, hybrid, and in-person venues.

Commenting on her appointment, Molly wrote: "I am absolutely thrilled to onboard as the new Coordinator of Communications here at St. Thomas More. I'm grateful for the opportunity to use my training to foster genuine encounters between people and the Church."

Molly is a parishioner along with her husband, Charlie and their son, Max. She has been very involved in our parish Young Adult Ministry and the Young Families Group.
